INFORMATION has been received by the British Admiralty (Notice to Mariners No. 39 of 1889) that on 7th November 1888 two leading lights, to mark the channel over the bar, were exhibited from the northern side of Tamsui harbour, northern coast of Formosa :—

The front light (low) is a fixed red, white, and green light; it shows red between the bearings of N. 61° E. and N. 86° E., white, between N. 86° E., through east, and S. 84° E., and green, between S. 84° E. and S. 59° E. It is elevated 33 feet above high water, and in clear weather the white light should be visible from a distance of 6 miles.

NOTE.—The bar at the entrance to Tamsui harbour is subject to occasional changes, in consequence of freshets; but the above lights kept in line bearing S. 86° E. will indicate the best channel for crossing the bar, when it is in its normal state.

Also, that the following alterations have been made in the positions of the bar buoys, entrance to Tamsui harbour:—

- (1) The southern bar buoy, painted red, has been moved about 2 cables southward; and now lies, in a depth of 26 feet at low water springs, within the red sector of light shown from the front (low) light-house.
 - (2) The northern bar buoy, painted black, has been moved about half a cable northward, and now lies in a depth of 32 feet at low water springs.

Fixed leading lights established and alteration in position of Bar buoys—Tamsui Harbour.

INFORMATION has been received by the British Admiralty (Notice to Mariners No. 39 of 1889) that on 7th November 1888 two leading lights, to mark the channel over the bar, were exhibited from the northern side of Tamsui harbour, northern coast of Formosa:—

The front light (low) is a *fixed red, white, and green* light; it shows *red* between the bearings of N. 61° E. and N. 86° E., *white*, between N. 86° E., through east, and S. 84° E., and *green*, between S. 84° E. and S. 59° E. It is elevated 33 feet above high water, and in clear weather the *white* light should be visible from a distance of 6 miles.

The illuminating apparatus is dioptric, or by lenses, and of the sixth order.

The light-house, constructed of iron, is painted white, and 45 feet high. It is situated on the northern side of Tamsui harbour, in the position hitherto occupied by a white beacon, which has been withdrawn.

Position, lat. 25° 10' 22" N., long. 121° 25' E.

The rear light (high) is a *fixed white* light, visible through an arc of 59½°, or between the bearings of N. 68½° E., through east, and S. 52° E. It is elevated 142 feet above high water, and in clear weather should be visible from a distance of 10 miles.

The illuminating apparatus is dioptric, or by lenses, and of the sixth order.

The light is shown from a pillar, 35 feet high, painted white, bearing about S. 86° E. distant 7½ cables from the front light-house, and S. 86° E. about 2 cables from the Red fort.

NOTE.—The bar at the entrance to Tamsui harbour is subject to occasional changes, in consequence of freshets; but the above lights kept in line bearing S. 86° E. will indicate the best channel for crossing the bar, when it is in its normal state.

Also, that the following alterations have been made in the positions of the bar buoys, entrance to Tamsui harbour:—

- (1) The southern bar buoy, painted red, has been moved about 2 cables southward; and now lies, in a depth of 26 feet at low water springs, within the red sector of light shown from the front (low) light-house.

SANITARY.

The 22nd March 1889.

NOTIFICATION.

The following translation of the special Regulations of the Ottoman Board of Health applicable to the Mecca pilgrimage of 1889, received through Her Majesty's Secretary of State for India, is published for general information :—

Special Regulations applicable to the Mecca Pilgrimage of 1889.

Article 1.—From the beginning of the month of Redjeb until the end of the month of Zilhidge (4th March to end of August), the Lazaretto of Camaran will be open to arrivals by sea subject to quarantine.

Article 2.—During the period of six months above-mentioned (Redjeb, Chaban, Rémazan, Chewal, Zilcadé, Zilhidge) pilgrim ships arriving from outside the Straits of Bab-el-Mandeb, no matter what the tenor of their Bill of Health, must go direct to the Island of Camaran without touching at any other port of the Red Sea coasts.

Article 3.—Pilgrim ships are ships expressly chartered for the conveyance of pilgrims going to Mecca.

Article 4.—Vessels bound to the Red Sea having on board only one pilgrim for every 100 tons of registered tonnage are not included in the definition of pilgrim ships. Such vessels will be dealt with according to the character of their Bills of Health, conformably to the provisions of the General Regulation of 1867, applicable to cases of cholera.

Article 5.—Mail boats and vessels not carrying more than five pilgrims for every 100 tons register, can proceed to Abou-Saad, where they will discharge, subject to quarantine, their pilgrims and merchandise destined for the Hedjaz.

Merchandise not destined for Yemen can be landed at Hodeyda under the supervision of the Sanitary authorities.

Article 6.—For this purpose a Lazaretto is established at Abou-Saad as a branch of the Camaran Lazaretto, which will be open to arrivals specified in articles 4 and 5 of the present regulation throughout the year.

Article 7.—Arrivals from Egyptian ports, Sambouks, and other coasters, navigating from one port to another of the Red Sea coast, will also perform quarantine at Abou-Saad in case of necessity.

Article 8.—Indo-Malayan pilgrims who come to the Hedjaz *via* Suez will be subjected to quarantine unless they can prove by their passports that they have come from beyond the Suez Canal.

Captains of ships are forbidden to embark pilgrims of this class under penalty of their ships and the crews being subjected to quarantine under Articles 2, 4, and 5 of these Regulations.

Article 9.—On the arrival of a pilgrim ship in Camaran Harbour, or Abou-Saad, all pilgrims will be disembarked and undergo the usual medical examination. If the health of the ship is good, and no suspicious case has occurred on the voyage, the ship and the pilgrims will undergo five full days' quarantine; baggage and effects will be disinfected, the ship will be washed and purified, but the cargo will not be landed nor purified nor taxed.

Article 10.—Pilgrim ships which arrive from infected ports, but have had no cholera case during the voyage or after arrival, will undergo a quarantine of ten days. Merchandise coming from a cholera-infected port will remain on board the ship, if there have been no cholera cases during the voyage or after arrival, but will be exempt from disinfection and from sanitary fees, except in the case of old personal effects and stuffs already used, unwashed wool, old cottons, hair and feathers, raw skins and hides and other raw animal remains and rags.

Article 11.—Ships upon which cases of cholera or suspicious cases have occurred during the voyage, or after arrival, will be subjected, ships and pilgrims, to a quarantine of at least 15 days. This quarantine will be renewed each time a cholera case occurs among crew or passengers after their arrival in Lazaretto, and will date from the day of the last case of sickness. In such cases the clauses in the Regulation of 1867 for cholera will be strictly applied.

Article 12.—No pilgrim ship shall leave Camaran for good without having re-shipped at the expiration of the quarantine all the pilgrims brought by her. Vessels which have completed their quarantine without cholera cases or suspected cases among the crew shall have a right to free pratique.

Article 13.—Sambouks coming from outside Cape Bab-el-Mandeb with pilgrims will be subject to the same rules as vessels specially chartered for pilgrims. They must go direct to Camaran, and will be refused admission at all other Arabian ports of the Red Sea.

Vessels coming from Bassora, with pilgrims on board bound for the Hedjaz, will have to go to Camaran, and will be treated according to the tenor of their Bill of Health and the general Regulations of 1867.

The same exceptional treatment is applicable to arrivals from Muscat, Zanzibar, and Bushire, provided such vessels are furnished with a regular Bill of Health indicating a good sanitary condition of the port of departure, and also if they have not touched at any intermediate port in the course of the voyage.

Read at the Board of Health and approved at the sitting of the 26th December 1888.

Powers of Officers.

I.—All proceedings and orders of Assistant Settlement Officers shall be subject to the supervision and control of, and appeal to, the Settlement Officer.

II.—Proceedings and orders of the Settlement Officer shall be subject to the supervision and control of, and appeal to, the Deputy Commissioner.

III.—The proceedings and orders of the Deputy Commissioner shall be subject to the supervision and control of the Commissioner.

IV.—Assistant Settlement Officers and Settlement Officers shall have all the powers of a Sonthal Pergunnah Civil Court for the purpose of obtaining evidence, of disposing of objections to the survey and settlement proceedings, and of disposing of disputes on questions of right or title or other matters arising in connection with such proceedings.

Measurement.

V.—A measurement shall ordinarily be made of all lands included in the villages declared to be under settlement, but if in the Settlement Officer's opinion the records of the last measurement are sufficiently correct to permit of a record of rights and settlement of rents being prepared from them, such records may be corrected without remeasurement.

VI.—The exterior boundaries of the village shall be demarcated and measured, and a map shall be prepared according to scale. All trijunction points and natural features on or near the boundary shall be noted in the field-book and map.

VII.—Trijunction points and as many points on the boundary besides as may be necessary, shall be marked by boundary pillars. Stone pillars, blocks of stone, or other suitable material, shall be used.

VIII.—Within the village the cultivated land shall be measured field by field. All other land shall also be measured and recorded in plots of convenient size. A field is defined to be all land of one class in one block, and in possession of one raiyat.

IX.—There shall be a sketch map of the village showing the fields and plots as described in the preceding rule. A field register or khasra shall also be prepared with the following heads:—

Column	1.	Number of field.
"	2.	Boundaries.
"	3.	Name and serial number of raiyat according to the village list, with parentage, caste and residence.
"	4.	Other cultivators in possession, if any, with parentage, caste and residence.
"	5.	Area in bighas by standard used in measurement.
"	6.	Area in bighas by local standard.
"	7.	Class of soil.
"	8.	Name of crops grown in year of survey.
"	9.	Description of land, cultivated, road, &c.
"	10.	Remarks.

X.—The measurement staff shall be composed of Settlement Officer, Assistant Settlement Officer, Inspectors, Amins, Canoongoes and Putwaries. Putwaries shall, if possible, be local men.

XI.—The Khasra shall be written up on the field by the amins or putwaries, and all entries, as they are made daily, shall be explained by them to the parties, so that any mistake may be corrected at once. The entries will be attested a second time by the Settlement or Assistant Settlement Officer. Disputed entries will be left blank, and a separate list of all disputes will, from time to time, be sent to the Settlement or Assistant Settlement Officer.

XII.—The Settlement Officer is empowered to make rules for checking and testing the entries made by the putwaries, and generally for the guidance of his subordinates.

XIII.—The following documents shall compose the complete record of rights:—

A.—The khatians or jumabundis.

B.—The record of rights and duties.

Three copies of these documents shall be made, which shall be deposited as follows: one with the record at head-quarters, one at the sub-divisional head-quarters, and one with the village headman, or in khas villages with the landlord. A copy of so much of the jumabundi as relates to his holding shall be given on application to every raiyat. The patwari will make his own copies.

Record of Rights.

XIV.—There shall be a separate record of rights for each village, whether it be part of one estate or tenure, or contain the whole or part of several estates or tenures. There shall be a separate rent-roll for each estate or tenure within a village.

XV.—The khatians or jumabundi slips shall be compiled from the khasra in the form annexed.

Separate slips shall be prepared for each raiyat and under-raiyat; also for waste village forest roads, grazing grounds, &c.

XVI.—There shall be a record of rights and duties for the village. It shall be divided into parts, viz. one for proprietary rights and duties, and one for raiyats' rights and duties. Rights and duties shall be so recorded that the record shall be clear and complete in itself.

XVII.—The record of raiyats' rights shall contain among other particulars—

- (1) The names of all recorded raiyats.
- (2) The names of sub-raiyats or other persons, as mortgagees, with temporary interest found in possession of any land, with a reference to the fields, and a note of the nature of the interest of occupier.

XVIII.—In dealing with forest rights, the Settlement Officer may introduce such regulations, due regard being had to the existing rights of landlords and tenants, as to the manner of exercising such rights, and as to the trees or jungle over which they are to be exercised, as to ensure the permanent preservation of the village fuel and timber supply. It will be his duty to demarcate all village common land, whether forest, pasture, roads or other land, distinguishing it from waste, as not liable to cultivation.

XIX.—He shall likewise record all duties, such as police duties, duties relating to the repair of roads, tanks, reservoirs, and the like, and all rights, such as the right of taking fuel or wood for repairs (when kind and size of trees shall be specified), of irrigation, of pasture and all other rights.

XX.—The record of rights and duties shall be framed by the Settlement or Assistant Settlement Officer. When the khatian has been prepared, the Assistant Settlement Officer or Settlement Officer, as the case may be, will call the persons interested to meet him at a convenient place in or near the village, and will cause to be read in his presence the entries in the record of rights and the khatians. He will at the same receive and dispose of objections.

The Lieutenant-Governor is pleased to direct, under section 45 of the Indian Forest Act (VII of 1878), that the river Kusi and its channels within the districts of Bhagulpore and Purneah are areas within which all unmarked wood and timber, and all wood and timber on which the marks have been obliterated or defaced by fire or otherwise, are deemed to be the property of Government, unless or until any person establishes his right and title thereto under the provisions of the said Act and the rules made under it.

RULES.

Drift Timber Rules for the River Kusi and its channels within the districts of Bhagulpore and Purneah made under section 51 of the Indian Forest Act.

1. *Drift timber may be salvaged by any person.*—All pieces of unmarked wood or timber, and all pieces on which marks have been obliterated or defaced by fire or otherwise, found adrift, beached, stranded or sunk in or on the banks of the river Kusi and its channels, may be salvaged by any person.

PAYMENT OF RENT BY MEANS OF POSTAL MONEY-ORDERS.

REVENUE DEPARTMENT—LAND REVENUE.

Calcutta, the 22nd April, 1889.

RESOLUTION.

Read again—

The Report, dated the 27th October 1885, of the Committee appointed to consider and advise on the Rules under the Bengal Tenancy Act.

Read—

Resolution of this Government dated the 20th March 1888.

Letter from this Government to the Board of Revenue, Lower Provinces, No. 3461—1207 L.R., dated the 19th November 1887.

Petition, dated the 6th February 1888, from Prasanna Kumar Ghosal and other ryots of Uttarbarh-Jhampardah in the district of Howrah.

Letter from the Board of Revenue, No. 993A, dated the 29th October 1888, with enclosures.

Letter from the Board of Revenue, No. 217A, dated the 9th March 1889, with enclosures.

The Committee appointed in 1885 to draft rules under the Bengal Tenancy Act recommended that the question of permitting rent to be paid by means of postal money-orders, under the provisions of section 54 (2), should stand over pending a trial of the plan of paying Government revenue through that agency. The experiment of receiving the land revenue through the Post Office has since been made, and as it has proved an admitted success, the Board of Revenue now propose the extension of the system to the payment of rent. The concession has, moreover, been asked for in a petition by the ryots of Uttarbarh-Jhampardah in the district of Howrah, and the proposal derives some support from the fact that it has already been adopted in the North-Western Provinces, where the circumstances are not very dissimilar. It appears to the Lieutenant-Governor that when landlords and tenants are on friendly terms the use of postal money-orders for the remission of rent will frequently be convenient as the readiest means of transmitting small sums; and that where differences exist, it will serve in some degree as a substitute for the more expensive and troublesome method of depositing rent in the Civil Court under section 61 of the Bengal Tenancy Act. His Honour accordingly considers it desirable to grant the desired permission experimentally in the Burdwan Division with effect from the 1st July, 1889, its continuance and further extension being dependent upon a report to be submitted after the expiry of six months from that date. The subjoined draft of the rules which it is proposed to issue with this object is published, under section 190 (3) of the Act, for general information and criticism, and it is hereby notified that objections will be received during one month from the date of the first publication of this Resolution in the *Calcutta Gazette*. The rules prepared by the Postal Department in this connection are also published as an annexure for general information.

ORDER.—Ordered that this Resolution, with its annexures, be published in the *Calcutta Gazette*.

By order of the Lieutenant-Governor of Bengal,

DRAFT RULES.

I. Under the proviso to clause (2) of section 54 of the Bengal Tenancy Act, VIII of 1885, it is declared that from and after the 1st July, 1889, tenants shall be authorized to pay rent by means of postal money-orders for lands situated within the jurisdiction of the Commissioner of Burdwan.

II. POSTAL RULES RELATING TO RENT MONEY-ORDERS.

These rules are divided into five sections—

- Section I.—Form of Rent money-order.
- Section II.—Issue of Rent money-orders.
- Section III.—Payment of Rent money-orders.
- Section IV.—Disposal of Rent money-orders not accepted by the payee (zemindar).
- Section V.—Disposal of Rent money-order acknowledgments.

SECTION I.

The form of Rent money-order.

1. The rent money-order form is divided into four parts, viz.—
 - (a) The money-order.
 - (b) The receipt. This is printed below the money-order, and will be retained by the Postal Department.
 - (c) The coupon. This is the counterfoil or landlord's portion of the receipt.
 - (d) The acknowledgment. This is the tenant's receipt.
2. Parts (a) and (b) require no description, as they are exactly like the corresponding portions of the ordinary inland money-order form. Part (c) is double the size of the coupon of an ordinary money-order form. On one side of this part are printed headings to provide for the entry of full particulars of the remittance, and on the other side are special instructions relating to rent money-orders. Part (d) is also double the size of the acknowledgment of an ordinary money-order, and contains the same headings as part (c).
3. This form is to be used for rent money-orders only, and for no other purpose.
4. Forms of rent money-order should be freely distributed among the rent-paying classes, and every facility should be given to tenants to obtain these forms.
5. Every postmaster, sub-postmaster and branch postmaster will be personally responsible that a sufficient supply of rent money-order forms is always available in his office. In case of emergency, supplies may be obtained by telegraph direct from the Stock Depot. Divisional Superintendents and Inspectors, when visiting offices, will see that a sufficient supply of rent money-order forms is available, and mention the fact in their inspection reports.

SECTION II.

Issue of Rent money-orders.

6. Rent money-orders are issued from every head, sub and branch post-office under the rules which govern the issue of ordinary inland money-orders. The following rules contain additional instructions which relate specially to the issue of rent money-orders.
7. The rule prohibiting the inclusion of pies (fractions of an anna) in the amount of an ordinary money-order does not apply to rent money-orders, which may contain any fractions of an anna not less than one pie.
8. There must be a separate money-order for each tenure or holding. Rent for two tenures or holdings may not be sent by one money-order.
9. The office of issue, when requested to do so, will help the remitter to make the requisite entries, and, if necessary, will make entries for him in the form of rent money-order; but no fee or any gratification for this service may be demanded or accepted, either directly or indirectly, by any official of the Postal Department.
10. Persons remitting money by rent money-orders should be informed that unless they have received special instructions from the landlord on the subject, they should make the orders payable to the landlord, or to his agent, or to the manager (if one has been appointed), according as the rent has previously been paid to the landlord, or to his agent, or to a manager. The name of the payee must in each case be entered on the money-order. In the absence of special instructions from the landlord, a rent money-order should always be made payable at the place at which the tenant has previously paid rent. If the rent has previously been collected in the tenant's village by an agent whose office is not in the village, the money-order should be made payable at the agent's permanent office, or at such other place as the landlord may appoint.
11. The office of issue is responsible that no rent money-order is issued of which the coupon and acknowledgment are blank, or are not completely filled up. The post-office has no means of ascertaining the correctness of the information supplied by the remitter; all that is necessary is that the postmaster or money order clerk should see that entries are made against every heading in the coupon and acknowledgment. No rent money-order may be accepted for issue in which there is any erasure or correction in the name or month or year of the kist for which a remittance is made. If the remitter wishes to make any alteration, or tenders a money-order in which there is any alteration or erasure in the entry of the name or month or year of the kist, he must be instructed to fill up a fresh money-order.
12. The word "rent" should be written before the number of every rent money-order, and this mode of distinguishing rent money-orders should be adopted wherever the number is entered. The number assigned to a rent money-order by the head office or sub-office of issue will also be entered at the top of the coupon and acknowledgment by the money-order clerk of the head office, or the sub-postmaster of the sub-office of issue, as the case may be.

13. One line of the return of rent money-orders issued (Form 2—Rent) should be filled in by every head and subordinate office at the close of each day. On the 1st of the following month the return should be totalled and sent to the disbursing postmaster. The disbursing postmaster will compile a general return (Form 3—Rent) and submit it to the Postmaster-General not later than the 10th of the month following that to which it relates. Branch offices will not submit any returns, as rent money-orders issued from such offices will be included in the returns of their account offices.

SECTION III.

Payment of Rent money-orders.

14. Before a rent money-order is made over to the postman for payment, the money-order clerk or postmaster of the office of payment will carefully examine the name or month and the year of the kist entered in the coupon and acknowledgment, and satisfy himself that they have been clearly entered and bear no marks of erasure or correction.

15. If the examination prescribed in rule 14 shows any discrepancy or alteration in the entries of the kists in the coupon and the acknowledgment, the money-order must not be paid to the payee, but should be returned to the office of issue for repayment to the remitter with the following certificate endorsed in red ink by the postmaster of the office of payment across the acknowledgment:—"Entry of kist defective: returned for payment to remitter—(signature) postmaster." The office of payment will at the same time note the error in the error-book, and send a copy of the entry to the Superintendent, in whose jurisdiction the office of issue is situated, in order that the official in fault may be punished.

16. On receipt of the copy of the entry in the error-book, the Superintendent will take such action as appears to him suitable, having regard to the special instructions to offices of issue in rule 11 of these rules.

17. A rent money-order should always be paid at the landlord's office at the place of payment entered in the money-order. If the money-order is drawn out as payable to the landlord himself, payment may be made to him or to any person authorized by him in writing to act as his agent, or to receive payment of money-orders in his favour. If the money-order is drawn out as payable to two or more joint landlords, the receipt and acknowledgment must be signed by both or all of the landlords, or by an agent authorized in writing by both or all of the landlords. If the money-order is drawn out as payable to an agent or manager, payment may only be made to the payee named, and not to any one else. In making over money to postmen for payment of rent money-orders, the postmaster of the office of payment must observe the limit fixed for the amount to be entrusted at one time to a single postman or village postman. The date stamp of the office of payment should be impressed on the acknowledgments just before the money-orders are given to the postmaster for payment.

18. In all other respects rent money-orders will be dealt with in the office of payment exactly like ordinary inland money-orders.

19. One line of the return of rent money-orders paid and refused (Form 4—Rent) should be filled in by every head and subordinate office at the close of each day. On the 1st of the following month the return should be totalled and sent to the disbursing postmaster. The disbursing postmaster will compile a general return (Form 5—Rent) and submit it to the Postmaster-General not later than the 10th of the month following that to which it relates. Branch offices will not submit any returns. The rent money-orders paid by Branch offices will be included in the returns of their account offices.

SECTION IV.

Disposal of Rent money-orders not accepted by the payee.

20. If a rent money-order is refused by the payee, the postmaster of the office of payment will certify in red ink across both the coupon and acknowledgment that the payee has declined to receive payment. This certificate must always be recorded on refused rent money-orders, whether the payee has or has not noted his refusal in writing, and the certificate will be signed by the postmaster. The postman who presented the order with the amount thereof to the payee will write his name and the date of presentation under the postmaster's signature. The refused money-order will then be treated in the usual way and returned to the office of issue (with the coupon stitched to it) for repayment to the remitter. The coupon will be made over to the remitter (tenant) when the amount of the order is repaid to him. The acknowledgment will, when the office of payment is a disbursing office, be retained in that office. In the case of any other office of payment, the acknowledgment for a refused money-order will be retained by that office until the 1st of the following month, when it will be attached to the return of rent money-orders paid and refused, and be forwarded to the disbursing office. The acknowledgments relating to refused money-orders will be filed in monthly bundles in the disbursing office, and the postmaster will be responsible for their safe custody for three years from the last day of the agricultural year in which the money-orders were issued. On the expiry of the three years the acknowledgments should be destroyed.

21. In all other respects refused rent money-orders will be dealt with exactly like ordinary inland refused money-orders.

SECTION V.

Disposal of Rent money-order acknowledgments.

22. The acknowledgments appertaining to rent money-orders will be sorted separately for each office of issue and enclosed in envelopes (Form 8—Rent), addressed to the post-

masters of those offices, the numbers of the money-orders to which the acknowledgments appertain being detailed on the back of the envelopes.

23. These envelopes will be detailed in a special book of rent money-order acknowledgments returned (Form 6—Rent), and will be despatched as letters registered on postal service. The total number of acknowledgments closed in each envelope will be the registered number assigned to that envelope.

24. On arrival in the office of issue, the envelopes will be opened and the acknowledgments will be compared with the entries on the back of the envelopes. The acknowledgments will then be sorted for distribution to postmen. The numbers of all the acknowledgments to be given to each postman will be detailed separately in a special book of rent money-order acknowledgments delivered (Form 7—Rent), and the postman's signature will be taken against the entry. The acknowledgments will then be handed over to the postmen. The envelopes will be sorted in daily and monthly bundles and retained for 12 months, after which period they should be destroyed.

25. The postmen will enter acknowledgments in detail in their books, and will obtain the remitter's signature or mark therein when delivering each acknowledgment.

26. Acknowledgments appertaining to rent money-orders, the remitters of which have removed to beyond the delivery range of the original office of issue, will be forwarded direct to the remitters at their new addresses (if known), enclosed in postal service registered covers.

27. Acknowledgments which cannot be delivered in consequence of the remitters not being found will be returned by the postman to the postmaster or money-order clerk (as the case may be), who will sign for them in the postman's book or village postman's register.

28. Undelivered acknowledgments will be kept in the office of issue (if a head office) for a period of six months, and if still unclaimed will be forwarded under a postal service registered cover to the office of the Postmaster-General.

29. In sub and branch offices undelivered acknowledgments will be retained for a period of ten days, and, if still unclaimed, will be forwarded to the head office under a postal service registered cover. Such acknowledgments will be kept in the head office for a further period of six months, and, if still undelivered, will be forwarded under a postal service registered cover to the office of the Postmaster-General.

30. A rent money-order acknowledgment received in the Postmaster-General's office under the provisions of the two preceding paragraphs will be kept in that office for a period of three years from the last day of the agricultural year in which the money-order was issued, and if not claimed within that period will be destroyed.

31. Postmasters, Sub-postmasters and Branch postmasters of the offices of issue will be responsible that acknowledgments are delivered to remitters of rent money-orders without any unnecessary delay and *free of charge*. It will be useful to make enquiries as to the punctual and free delivery of acknowledgments from tenants who may call at post-offices to have rent money-orders issued.

A treasury receipt for the fee of Rs. 10 is forwarded herewith.

I am, &c.

6. The application under the last rule should be in the form given on the margin, and be accompanied by a treasury receipt for the sum of either Rs. 10 or Rs. 20, according to the division (lower or upper) in which the candidate may wish to appear. This sum he is required to pay into the treasury nearest his place of residence by way of examination fee. With the application must also be forwarded—

- (1) Evidence (except in the case provided for by Rules 8 and 9) that the candidate at the date of making his application is not less than 18 and not more than 24 years of age. The date of the candidate's birth must be stated.
- (2) In case the candidate has been educated at a school in which students' good conduct registers are kept, the candidate's register for the last year of his attendance at school, when a year has not elapsed since he left school. In other cases, a certificate that the candidate is of good moral character from the head of the institution in which he has last been educated, or from some respectable householder to whom he is well known in private life, and who is himself known to a District or Subdivisional Magistrate or to the head of some Government office—this last fact being certified by the countersignature of the officer in question.

7. The number of candidates to be selected by the Examiners for each division will be notified in the *Calcutta Gazette* on or before the 31st October. This number will be determined in communication with the heads of the offices concerned, with reference to the number of vacancies existing or estimated as likely to occur within the course of the following year (and which it is not intended to fill under the provisions of Rules 12, 13, and 14), plus a margin of 10 per cent. for casualties.

8. Persons who have at any time held a permanent appointment in any of the offices affected by the Resolution, but who may have lost such appointment owing to its abolition or on reduction of establishment, may present themselves for examination under these rules, provided they are under 40 years of age.

9. Clerks who were serving in the lower division of an office before the date of these rules, and who are under 40 years of age, may, with the permission of the head of the office, present themselves at the examination for appointments in the upper division. No clerk who enters the lower division after the date of these rules will be permitted to appear at the examination for the upper division unless he is under 24 years of age.

10. As soon as practicable after the open competitive examinations, the Board of Examiners will report the result to the Chief Secretary to the Government of Bengal. The report will take the form of a list giving the names of selected candidates and the exact dates of their births; the distinguishing numbers of unsuccessful candidates; and the number of marks obtained by each candidate, whether successful or unsuccessful, in each subject of examination. The Chief Secretary will then circulate a list of selected candidates to the heads of the offices concerned. Candidates will be given their choice of departments as far as possible; and the Chief Secretary will intimate such choice, if made, to the head of each office. The head of each department will, however, be at liberty to offer a vacant appointment which may occur in his department to any selected candidate remaining on the list. This offer should be made through the Chief Secretary, who will keep each department of the Government of Bengal informed as the names of selected candidates are removed from the list. No candidate selected in a later year shall be offered an appointment until the offer has been made to, and refused by, selected candidates of an earlier year remaining on the list.

11. When an outside candidate for either division attains the age of 25 years, or when two years have expired from the date of the entry of his name on the list, or when any candidate has refused the offer of an appointment in the department in which he has elected to serve, or has twice refused the offer of an appointment in any other department or departments, his name shall immediately be removed from the list.

12. Every alternate vacancy in the upper division, excluding vacancies in the offices of Registrar, Superintendent, Head Assistant, Personal Assistant, or appointment involving the control or supervision over divisions of an office, and every third vacancy in the lower division, may be filled by the head of a department without reference to the preceding rules.

13. Appointments made under the last preceding rules shall, if the person appointed is not in Government service, be made subject to the conditions that the person appointed—

- (a) is at the time of appointment not less than 18 and not more than 25 years of age;
- (b) can give satisfactory evidence that he possesses a minimum educational qualification equivalent to the Entrance standard of one of the Indian Universities if appointed to the lower, and to the F. A. standard of one of the Indian Universities if appointed to the upper division;
- (c) must produce satisfactory evidence that he is of good moral character.

14. Any officer already in Government employment may be appointed to any vacancy such as is referred to in Rule 12 without regard to the qualifications specified in the preceding rule.

15. The heads of offices to which these rules apply are at liberty to arrange transfers from the upper division of one office to that of another, or from the lower division of one office to that of another. The transfer of an officer from a post in an office to which the rules apply to a vacancy in another office to which these rules also apply shall, for the purposes of Rule 12, be held to be the filling up of a vacancy.

16. Before a person who is not already in Government service is actually employed in any office, he must produce a certificate from a Government medical officer, of or above the rank of Surgeon, to the effect that he is in good health and of a sound constitution.

17. Every candidate, whether selected by examination or nominated, who receives an appointment, will be on probation for twelve months, and if at any time during that period, or at its close, his work is not considered satisfactory by the head of the office in which he

is employed, he will receive his discharge, and will have no claim to gratuity or compensation on that account. Clerks appointed to the upper division will draw pay at the rate of Rs. 60 a month, until they are certified to have acquired a competent knowledge of office routine. Candidates who have passed the examination for the upper division, but have not obtained appointments, may, at the discretion of the head of the office concerned, be permitted to serve without pay in an office for the purpose of learning the routine; and such clerks, if they obtain certificates of fitness, will, when provided with an appointment, be entitled to draw the full minimum pay of the grade in which they enter, and to count towards their period of a year's probation the time during which they have served without pay. This rule will not apply to clerks selected for the upper division, who were previously permanent clerks in the lower division of the office in question, nor to clerks selected from other Government offices; but such clerks may, if found unfit for the higher grade, be relegated to their former appointments, or, so far as may be, to appointments of corresponding emoluments. To provide for such cases arrangement should be made by which promotions in the place of the transferred clerks should be *sub. pro tem.* until the latter have passed their period of probation.

18. The above rules will apply to the Secretariat Offices of the Government of Bengal. They will also apply to the offices of—

19. On the occurrence of any vacancy hereafter in any office which has to be filled by open competition under these rules, and when no candidate qualified under these rules is available to fill such vacancy, appointments may be made under Rules 12 to 14.

20. These rules shall take effect from the date of their issue.

Quarterly Inspection of the Kidderpore Dock Works.

EIGHTH REPORT.

Calcutta, the 26th April 1889.

From—Messrs. H. CLOETE and W. CONNAN,

To—The Secretary to the Government of Bengal, Public Works Department.

WE have the honour to report that in accordance with the instructions contained in Government of Bengal's letter No. 881M., dated 22nd instant, we this day made the Eighth Quarterly Inspection of the works at the Kidderpore Docks as shewn in the progress reports submitted by the Engineer to the Port Trust.

Copies of the index plan and of the tabular statement showing works done during the quarter under report, and the total quantity of work executed from the commencement of the Dock Works, which have been prepared by the Engineer to the Port Trust in charge of the works, are with Government.

PERMANENT WORKS.

Sixty-feet Lock.—The founding of the portions of the walls which at the end of last quarter remained to be done was almost completed. Good progress has been made in the erection of the inner gates.

Two hundred and thirty-two thousand three hundred and sixty-five cubic feet of masonry were executed on this part of the work, and about 7½ lakhs of cubic feet of earthwork were removed.

Eighty-feet Entrance.—The laying of the foundations to half width of the walls all round this portion of the works was completed, and these walls were built up to level of bottom of open cutting. In doing this 240,908 cubic feet of masonry were put in, and by the removal of over 2½ lakhs of cubic feet of spoil the excavation of the earth in the centre was nearly completed.

Tidal Basin.—The laying of the foundations of all that portion of the quay wall that could be taken in hand was done, and 110,121 cubic feet of masonry put in, and about 220,000 cubic feet of earthwork were removed. The foundations of the remaining length of quay walls cannot be taken in hand till the 80-feet entrance and graving dock are further advanced.

Graving Dock.—Good progress was made in the work of putting in the foundations of this part of the work. About 685,745 cubic feet of earth were removed, and 236,806 cubic feet of masonry were executed.

Double Entrance.—This work was well pushed on during the quarter, 29,820 spoil feet of foundations were laid, over 10½ lakhs of cubic feet of soil were removed, and 442,528 cubic feet of masonry built.

Dock No. 1.—A quantity of over 67½ lakhs of cubic feet of earth was removed from inside the dock and 111,233 cubic feet of masonry in quay walls were put in. A very small proportion of the work in the quay walls now remains to be done, and this must wait till the double entrance and bridge to Dock No. 2 are more advanced.

Boat Canal.—The foundations of the Lift Lock and of the bridge on the crossing of the Diamond Harbour Road over the canal were completed. The laying of the foundations of the bridge for the Tallygunge Road and for the Syphon culvert were pushed on, but great difficulties were encountered in these places owing to the nature of the soil and quantity of water met with. In this work over 26 lakhs of cubic feet of earth were removed, and 184,642 cubic feet of masonry laid.

Expenditure.—The total expenditure up to the end of the quarter under review was reported to be Rs. 1,33,24,378, of which Rs. 1,07,53,989 were reported on works, and Rs. 25,70,389 on account of land.

Sanitary.—The average number of workpeople employed was 11,440, being about 2,460 more than were at work during the previous quarter. Among the persons employed there were 21 deaths reported, which gives a death-rate of only 22·54 per thousand per annum.

General Remarks.—We are of opinion that very good progress has been made with the Dock Works during the quarter under report, and that, so far as we have been able to judge from our inspection, the character of the works is very satisfactory.
